# Interim Overseas Housing Allowance

## Introduction:

This section provides the procedures for starting, stopping, correcting, and deleting Interim Overseas Housing Allowance. This entitlement is authorized to members stationed overseas who are required to procure non-government family type housing before dependents arrive. They become entitled to OHA as a member with dependents for interim period starting on the procurement date and stopping either 60 days later, or on the day before the dependents arrive in the PDS vicinity, whichever occurs first.

## Procedure:

**Interim Overseas Housing Allowance entries must be routed to a supervisor/auditor with either CGHRSUP or CGHRSICSUP approval authority. If this is not approved, the member will not be paid. Guidance for approving officials is incorporated in the applicable steps of this guide.**

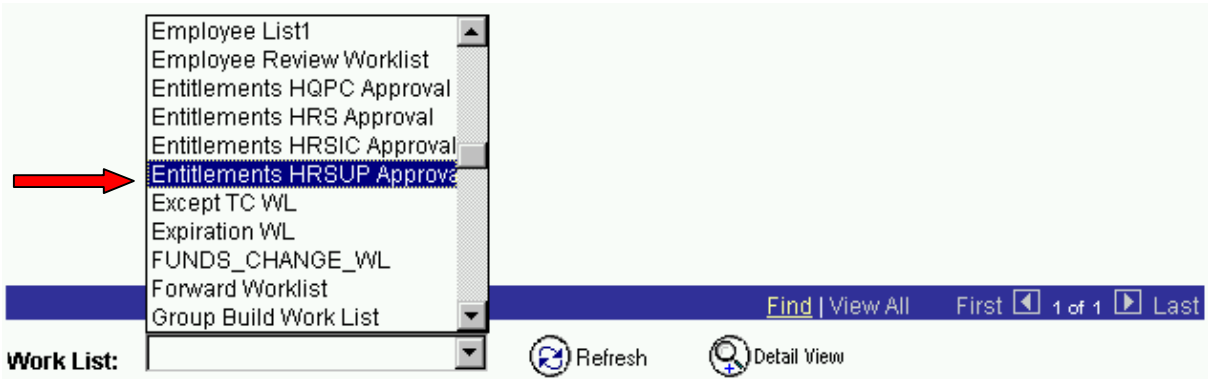

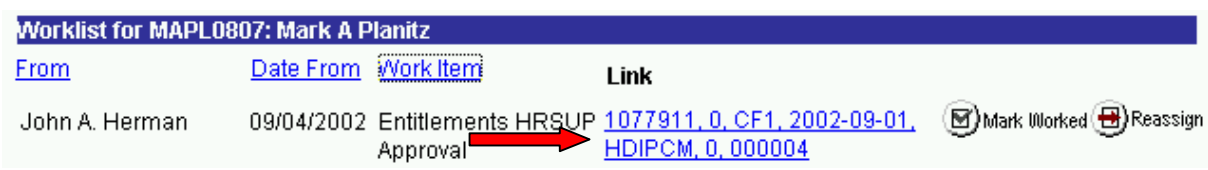

**All amounts must be entered in U.S. dollars. Convert foreign currency amounts into U.S. Dollars using the multiplier for the rate of exchange from the PDTATAC web site <http://www.dtic.mil/perdiem>.**

**Interim Overseas Housing Allowance automatically stops the day before departure PCS.**
